

At Mavericks Soccer Club, we aim to provide the highest quality soccer training at the lowest possible cost as we believe the opportunity to learn and grow as a player should not be limited to those who have the monetary resources to do so.

Because of the importance we place on inclusion and diversity, these scholarships are provided regardless of race, ethnicity, gender, or citizenship status of either the family requesting assistance or the player themselves. We support all individuals who are eager to dedicate themselves to the game of soccer and to the community at Mavericks.

All scholarship applications and additional documentation will be reviewed by a committee of Mavericks Board members after a player's registration information has been received and processed. Volunteers are at the core of our foundation at Mavericks. The Board asks that all scholarship applicant families regularly participate in team-focused and club-wide volunteer opportunities if possible. More information on volunteering opportunities can be found on our website and by emailing doc@accmavericks.com.

The following information will be kept confidential. Please do not share application information with coaches or team managers.
